

The Arts

Battle of the Bands

Avalon Intermediate is currently the Wellington Regional Battle of the Bands' title holder. This prestigious event is run every year and is hosted by the previous year's winning band. Avalon will be hosting the event this year in October, term 4.

Music Tuition

Students are given the opportunity to take part in small group music tuition. Expert teachers are brought in to run these sessions. Classroom teachers also work with students to develop their musical abilities.

Talent Quest

The school Talent Quest is eagerly awaited by both staff and students every year. Students enter under the categories music, dance and drama. Students are able to perform individually or as a group. The event takes place in term 2.

AIS Roadshow

Students audition for a part in the show by showing off their skills in dance, singing, and drama. The roadshow offers a chance for students to work as a team and to develop confidence. The roadshow rehearsals begin in term 2 and continue during the first month of Term 3. Students work with teachers to produce a show that tours to all of the main contributing schools in the area.

AIS School Production

Avalon Intermediate runs a school production every other year. The production is written and performed by students with help from various teaching staff.

Kapa Haka and Tagata Pasifica

These programs are run by students with the support of teachers, Pacific Island and Maori parents. Students are taught traditional ways of song and dance and develop a strong sense of self and cultural awareness.
